## Healthcare

**What to do:** Research healthcare on the Internet and record the findings below.

**Learning Goal:** To gain a basic understanding of the healthcare system.

1. Where is Spain in the World Health Organization's ranking? How about Colombia and Chile? How does it compare to your country?

---

---

---

2. What does Spain spend per person for healthcare? How does that compare to your country?

---

---

---

3. What are the pros and cons of Spain's system?

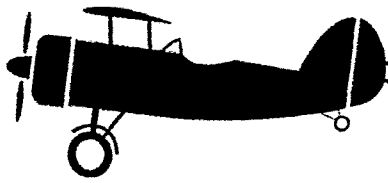

Pros	Cons

List all sources:

# Education

**What to do:** Research education in Spain and Mexico on the Internet and record the findings below.

**Learning Goal:** To understand the educational system.

1. List three similarities and differences between Spain's educational system and your own.

Similarities	Differences

2. Look at a typical day for a student in Mexico, then compare it with your own schedule.

---

---

---

3. Research the Spanish school calendar. How do their vacations compare to yours?

---

---

---

4. Do you have to take a test before you are permitted to graduate in Mexico? Is there a test you need to pass in order to be accepted into a university in Spain? Do you think this is fair?
