Buen Viaje I, Capítulo 9

You are to imagine that you went on a tropical vacation or a vacation to a ski resort in a Spanish speaking country. On your yellow sheet of construction paper, draw and color a picture of your vacation destination. I realize that you may not be an artistic person. But, your work today must appear as though you tried. After you draw and color your vacation destination, flip your construction paper over and write a 100-word paragraph on the back using the preterite tense of –ar verbs, -car, -gar, -zar verbs and the verb ir your paragraph, explain where you went and what you did while you were there. Also, tell me what your family members did as well. You must use at least 5 different verbs and the verb ir in your paragraph. Highlight your preterite tense verbs in your paragraph. Finally, translate your paragraph into English. I can't wait to read your post cards! Follow the rubric below...
