

## Spanish IIB Trimester Exam Review

**A. Directions and Grading for today's review:** We will be working online in the school's media center today to prepare for the trimester exam. Your trimester exam will cover chapters 10-13 and will be a 100 questions, 100 points, multiple-choice exam (which will be worth 20% of your final grade for this course). Therefore, today's review activities are multiple choice exam questions that are comparable to what you will see on the trimester exam next week. You are to complete the practice chapter tests and email your test results to Sra. LeBlanc in order to receive credit for class participation today. I will not accept any quiz score below 16 out of 20 for each chapter. You may use any notes you have in order to complete today's assignment. Further, if you do not understand something, simply raise your hand and I will help you. Here's how you get to the practice tests online...

### **Chapter 10:**

1. Go to [www.spanish.glencoe.com](http://www.spanish.glencoe.com)
2. Click on Buen Viaje I
3. Below the heading "chapter activities", you will see a drop down menu. Select chapter 10
4. Next, click on self-check quiz and complete the multiple choice quiz.
5. Once you've completed the quiz (and achieved a score of at least 16 out of 20), email your quiz results to me at [lleblanc@lspas.org](mailto:lleblanc@lspas.org). (See chart example below).
6. Once you've completed chapter 10, proceed to chapter 11 using the same directions above; however, select chapter 11 rather than chapter 10. Again email your results to me. Complete the same process for chapters 12 and 13. Once you are finished, please log onto my weebly site ([www.lshspanish.weebly.com](http://www.lshspanish.weebly.com)) and complete today's preparación.

B: After you've emailed all four chapter tests (chapters 10-13) to Sra. LeBlanc, you are to go back to the drop down menu for each chapter and click on the egames for each chapter (10-13). These activities are designed to review vocabulary, "go" verbs, the present progressive tense, reflexive verbs and irregular preterit verbs – all of which are on the trimester exam. You cannot email any of your egame results to me, as the computer program you are using does not allow it. You should plan to spend about 15-20 minutes working on the egames.
